About A Christina Breen-Hale, Select Agent, STATE FARM Insurance Agency

In 2015, Agent A Christina Breen-Hale celebrated 20 years of operating her own STATE FARM Insurance Agency in Greece, N.Y. Christina has a gift for listening to her clients' goals, dreams, and fears; many say, "I get more than just insurance from this agency."

A native of Rochester, Christina is an Independent Agent and proud to provide insurance and financial services to her extended neighborhood from her quaint, home-like office at 3093 West Ridge Road, (next to Friendly's). Her fully licensed and dedicated office team brings a unique and qualified insurance background that is central to the success of her agency. "It's a great feeling knowing that you've helped your clients prepare to enjoy the best life has to offer while preparing in case the worst happens," says Christina.

Christina is a graduate of the State University at Buffalo. Her Dad, Jerry Breen, owned the successful STATE FARM agency that he started in his home back in 1963. Her dad sensed her passions and entrepreneurial spirit when he called her to join his business. She says, "He was a terrific mentor."

When asked who her inspiration is, she quickly says without hesitation, "My parents. My father taught me how to plant my feet firmly on the ground and my mother taught me how to reach for the stars."

Christina is a long-standing premium member and sponsor of the Greece Regional Chamber of Commerce and is involved with the Rochester Women's Network. She has been helping CURE for several years. She enjoys many hobbies including: ice skating, skiing, camping, and card and jewelry making. There is no doubt her philosophy is to live life to its fullest each and every day!
